## Tips for a green office.

### Reduce the amount of paper used

- Use scrap paper for notes
- Print two pages per A4 page, if you have duplex printing, print on both sides of the page
- Only print emails or documents when necessary

### Ensure access to recycling services

- Place all used paper in paper recycling bin
- Collect cardboard boxes for recycling and place into your recycling bin
- Place your plastic bottles, aluminium cans, tin cans, milk and juice cartons in a separate recycling bin

### Reduce energy consumption:

- Turn off office lighting when not in use
- Activate sleep mode on your computer to switch off the screen after 10 minutes
- Switch off office equipment when leaving the office

### Reducing waste

- Bring a mug to work and have some set aside for visitors
- Bring lunch from home or eat in a local café to avoid packaging waste generated by take away foods.
