Certification of NPA Projects

This page has intentionally been left blank

S.12 of the Nation Building and Jobs Plan Facilitation (Tasmania) Act 2009

Notice is hereby given that I JOHN SMYTH as the Secretary of the Department of Education, being satisfied of each and every one of the matters referred to in Section 12(1) of the *Nation Building and Jobs Plan Facilitation (Tasmania) Act 2009*, have certified each of the school infrastructure projects listed below.

In doing so, I fix and specify the relevant use and development for each project to be as specified in the applicable row of the column in the table below entitled 'Use and development associated with the project'.

What the project involves (nature and scope of the required works)	Exact site of project	Municipality	Use and development associated with the project	Certification No.
Upgrade existing facilities and construct new kitchen garden building.	Moonah Primary School Derwent Park Road Moonah	Glenorchy City	Upgrade existing gymnasium, library and learning areas. Construct new kitchen garden building. New disability access and two new shade structures and new glazing onto the internal courtyard. Internal demolition and demolition of toilet block. Size approximately 255m2 with maximum height approximately 4.1m. Primary use: educational. Community use expected after hours with times to be negotiated.	C-GS126
Construct two new buildings including a new library and new early learning centre. Alterations to the existing school library.	South Arm Primary School 32 Harmony Lane South Arm	Clarence City	Construct two new buildings including a new library and new early learning centre. Alterations to the existing school library. New covered walkway and stairs. Size approximately 300m2 with maximum height approximately 3.6m. Primary use: educational. Community use expected after hours with times to be negotiated.	C-GS133

The proponent for these projects is:

The Crown in right of the State of Tasmania, as represented by the Department of Education
