The State Service provides a reasonable opportunity to members of the community to apply for State Service employment.

Vacancies—General Information

Vacancy notices and job kits including statements of duties, selection criteria and an application form are available at:

www.jobs.tas.gov.au

All permanent and some Officer and fixed-term vacancies are advertised in these Notices and may also appear in State and National newspapers.

Applicants for a vacancy published in this Gazette edition (other than Senior Executive Service vacancies), should note that for a period of six months from the date of publication, the selection process for that vacancy may be used to fill subsequent or similar vacancies on the same conditions as originally published.

Tasmanian Government Gazettes are available for perusal at the Public Sector Management Office, 9th Floor, 144 Macquarie Street, Hobart and in the reference section of major branches of the State Library.

Tasmanian Government Gazettes are available for sale from Print Applied Technology Pty Ltd, 33 Innovation Drive, Dowsing Point, Tasmania 7010.

Further Information

Applicants are strongly advised to seek further information including the statement of duties, from the www.jobs.tas.gov.au site or the enquiries person specified in the vacancy concerned. In addition there is information available on the selection process, interviews, post-selection counselling and conditions of employment from the www.jobs.tas.gov.au site or the enquiries person. Application forms are available from the www.jobs.tas.gov.au site and from the Agency that has advertised the vacancy.

Submission of Applications

Applications will close 9 calendar days after the date of publication in the Gazette unless otherwise stated.

Late applications may be accepted at the discretion of the Head of Agency.

Fixed-Term Appointment

Fixed-term appointment for a specified term or for the duration of a specified task may be obtained by:—

- responding to advertisements for fixed-term appointment placed in these notices;
- expressions of interest in registration on an Agency's fixed-term employment register;

Fixed-Term Employment Registers

An expression of interest in registration on a fixed-term employment register may be lodged with an Agency in response to an advertisement placed in these Notices or the www.jobs.tas.gov.au site. A list of currently operating registers is also available from this site.

Got a passion for public policy?

Enrol in a postgraduate degree in public policy at UTAS

Are you looking for a career edge? Do you want to formalise your professional knowledge or upgrade your skills and qualifications? A postgraduate degree in public policy from the School of Government will put you ahead in a competitive environment.

Effective and contemporary policy-making skills help the state sector, business and communities manage more effectively. Postgraduate study generates specialist knowledge about how governments work, how public policy is developed and implemented, and how it can be improved.

Study with the School of Government at the University of Tasmania, which is ranked in the top five universities nationally for public policy research. **Our Graduate Certificate in Public Policy and Graduate Diploma in Public Policy are available face-to-face or online.** Apply systematic approaches to real world examples and learn to develop innovative policy solutions.

Australian and New Zealand Third Sector Research (ANZTSR) Conference

21-23 November 2012, Baha'i Centre of Learning, Hobart

Call for Papers and Participation

The Board of ANZTSR invites the submission of abstracts for full papers, case studies and research reports, and proposals for panels and symposia related to research and practice in the third sector and related areas. The conference is a great opportunity to explore and discuss emerging trends.

Key conference themes include:

- Sustainable constituencies and communities, democracy and social change
- Sustaining participation and advocacy for social change
- Environmental sustainability and the third sector
- Sustainable third sector governance, organisational management and service delivery
- Sustainable resource management: finances, fundraising and volunteering
- Social entrepreneurship, social enterprise and social innovation.

Confirmed speakers include: **Robert Fitzgerald**, Chair of Advisory Board of ACNC; **Linda Lavarch**, Chair of the Not-for-Profit Reform Council; and **Prof John Mohan**, co-chair of the UK Third Sector Research Centre.

Early bird conference registration closes 20 July 2012.

For more information please visit www.anztsr.org.au or email ANZTSR@unisa.edu.au

HEALTH AND HUMAN SERVICES AND TASMANIAN HEALTH ORGANISATIONS

HEALTH AND HUMAN SERVICES

Children and Youth Services

Operations

Youth Worker (AYDC) Relief (513899).

Applications Close:—Friday, 20 July 2012.

Salary:—\$58,549 – \$67,701 pro rata, per annum.

Health and Human Services (Tasmanian State Service) Award, General Stream, Band 4.

Fixed-term casual shift work, working as and when required, commencing as soon as possible for a period of 12 months.

Location:—Ashley Youth Detention Centre, Deloraine.

Duties:—If you want to give something back to the community and you're ready for a career instead of just a job, you might be the person we're looking for.

As a Youth Worker you will contribute to the rehabilitation of young men and women who have been placed at AYDC by the Court. You will need maturity, a willingness to learn, and the ability to work in a team. Successful applicants will also be able to relate easily and comfortably with teenagers from a variety of backgrounds.

In return, we provide a career structure, ongoing training, secure employment and the chance to make a difference in the lives of many young Tasmanians.

This is a challenging and rewarding role for the right person. Our selection system is tougher than most. You must possess physical fitness, medical suitability and psychological characteristics appropriate for custodial duties in working with young people. Applicants selected for interview will be required to undergo aptitude testing and essential pre-employment checks will be conducted.

Position Objectives:—Provide and maintain a safe and secure environment that enhances the wellbeing of young people within a custodial setting.

Participate in the development and implementation of programs and activities for young people in custody that meet case management outcomes consistent with a restorative justice framework.

Selection Criteria:—Demonstrated understanding of adolescent development issues including the ability to identify factors contributing to youth offending.

Ability to provide high quality supervision of young people in custody across a range of situations, including indoor and outdoor locations at Ashley Youth Detention Centre and in the community.

Proven ability to develop and implement programs, services and activities as detailed in case plans that meet the developmental needs of young people in custody for rehabilitation, education, recreation and vocational training.

Demonstrated understanding of casework principles for young people in custody and the ability to translate this into practice.

INFRASTRUCTURE, ENERGY AND RESOURCES

ROADS AND TRAFFIC

Operations

Senior Electrical Technician (371917).

Applications Close:—Friday, 20 July 2012.

Salary:—\$59,343 – \$68,634 p.a.

Tasmanian State Service Award, General Stream, Band 4.

Permanent full-time.

Location:—Launceston.

Duties:—Undertake high level and advanced electrical trades inspections and work associated with the manufacture, testing, installation and maintenance of traffic control and associated equipment and ensure that it meets quality standards.

Identify traffic flow problems associated with traffic controller malfunctions and equipment faults and provide alternative solutions to complex operational problems when required.

Provide high level support and judgement in collating technical records and reports on traffic signal operation, repairs and improvements.

Provide advanced technical support and undertake electronic fault-finding and repair down to PCB level.

Monitor the performance of road network conditions using CCTV, SCATS, STREAMS and other control and monitoring systems and handle radio traffic reports.

Provide guidance, training and supervision for trades apprentices and non-trade staff when required.

Essential Requirements:—Electrician's licence.

A current driver licence.

Desirable Requirements:—Post trade electronics training or in the process of working towards completion of this training.

Enquiries to Tony Bannister, Senior Technical Officer, Department of Infrastructure, Energy and Resources, 287 Wellington Street, Launceston, phone (03) 6336 2694, email Tony.Bannister@dier.tas.gov.au.

Applications to HR Operations, Human Resources Branch, Department of Infrastructure, Energy and Resources, G.P.O. Box 936 Hobart 7001, phone (03) 6233 2077, fax (03) 6233 5337, email recruitment@dier.tas.gov.au.

INFRASTRUCTURE, ENERGY AND RESOURCES

ROADS AND TRAFFIC

Traffic and Infrastructure

Project Manager (371380).

Applications Close:—Friday, 20 July 2012.

Salary:—\$77,536 – \$89,072 p.a.

Salary Range.

Permanent full-time.

Location:—Hobart.

Duties:—Identify and scope transport infrastructure projects to deliver the specific road network transport objectives defined in high level strategic plans, including development of specific transport and project objectives.

Using established Australian and Tasmanian government frameworks to complete the identification, scoping and development phases of projects including the application of recognised risk management and cost estimating procedures to enable the preparation of Project Proposal reports and other relevant documentation in support of funding submissions to both State and Australian Governments.

Develop Project Briefs for the definition and procurement of consulting services for all aspects of project identification and project scoping phases and manage the delivery of the scope of those briefs by service providers to meet project objectives, including undertaking critical review of all reports, documentation and deliverables.

Co-ordinate and gain specialist advice from various internal and external stakeholders and resources, and service providers to meet project objectives by proactively and sustainably managing critical interfaces including corridor, engineering, environmental, heritage and planning approval processes.

Develop agreed project budgets, including target cash-flows, and manage projects within agreed budgets through monitoring of monthly expenditure against project activities, develop project programs and manage projects to ensure delivery within identified critical path timeframes, manage payments against budget using the Contract Management System (CMS) and apply established procedures for routine project reporting.

Manage public contact strategies to ensure effective community and stakeholder (Council, State and Australian Government Agencies, other key representatives and the media) consultation, issues management and project promotion.

Contribute to the development and documentation of project and program management policies, procedures, databases and systems within the Branch.

Provide project support to projects being managed by other Sections/Branches, as requested by the Manager, Planning and Design including periodic requests to undertake duties within this classification level.

Desirable Requirements:—Current Driver's Licence.

There are no essential requirements for appointment under the Tasmanian State Service Award. To be eligible for appointment under the DIER Roads and Traffic Engineers Industrial Agreement 2008 the appointee must meet the following essential requirement: Satisfactory completion of a relevant 4 year (minimum) university degree in engineering that is accredited by Engineers Australia; or satisfactory completion of academic qualifications in Engineering that are recognised by Engineers Australia as being an equivalent qualification.

Enquiries to Simon Buxton, Director Traffic and Infrastructure, Department of Infrastructure, Energy and Resources, 10 Murray Street, Hobart TAS 7000, phone (03)6233 5276, email Simon.Buxton@dier.tas.gov.au.

Applications to HR Operations, Human Resources, Department of Infrastructure, Energy and Resources, G.P.O. Box 936, Hobart TAS 7001, phone (03) 6233 2077, fax (03) 6233 5337, email recruitment@dier.tas.gov.au.

INFRASTRUCTURE, ENERGY AND RESOURCES

ROADS AND TRAFFIC

Traffic and Infrastructure

Senior Design Officer (372106).

Our conscience is crystal clear.

Together we can make a difference.

Print Applied Technology remains ever vigilant in reducing the impact of its operations on the environment, and environmental management within our production facilities is considered a critical aspect of our business.

Our investment in a world class 'Ecoclean' solvent recycling system from Europe has enabled us to recycle all our solvent liquids for reuse, instead of disposing of this material which is traditional industry practice. Waste paper is managed via extraction systems and a compaction unit, capturing and bundling all waste generated during the production cycle which is then collected for recycling, reducing landfill. Vegetable based inks are used where possible on our presses, and green office principles are employed.

Print Applied Technology now adds to these initiatives official certification by the Forest Stewardship Council

(FSC). FSC certification is the "Gold Standard" for eco forestry worldwide, and as a 'Chain of Custody' certificate holder we can now assure our valued customers that selected papers sourced for our operations are from responsibly managed forests.

The use of the highly guarded FSC trademark now also allows our customers to demonstrate their commitment to the growth of responsible forest management. Further to this, we can now share with you the knowledge that areas of natural wealth and endangered wildlife habitat are not being adversely affected as a consequence of our paper sourcing policy.

You too can help to protect our environment, by promoting and using FSC products.

For further information please contact Print Applied Technology or visit www.fscaustralia.org
