Have your say: Electronic Cigarette and Tobacco Control Laws

You are invited to comment on a Regulatory Impact Statement that considers the impact on competition and business of proposed changes to the *Public Health Act 1997*. The changes involve new electronic cigarette laws as announced in the Government's *Healthy Tasmania – Five Year Strategic Plan*. Changes to tobacco licensing, smoke-free areas and other supporting changes are also proposed. The changes will largely affect people who sell electronic cigarettes, supply them to others or use or advertise them. The changes also affect occupiers of smoke-free areas and tobacco sellers.

The Regulatory Impact Statement is available at

www.dhhs.tas.gov.au/publichealth/tobacco_control/electronic-cigarettes or by phoning Public Health Services on 1800 671 738.
