Schedule 1

A Pipeline and Services Easement within that area of land described and shown as PIPELINE & SERVICES EASEMENT 2.00 Wide & VARIABLE WIDTH (**Easement Land**) on the Plan of Survey at Schedule 2 within the land comprised in Folio of the Register Volume 59629 Folio 4 situated in the Town of St Helens and registered in the name of Patrick David John Flynn and Lauren Margaret Woodland.

The Pipeline and Services Easement is defined as follows:-

THE FULL RIGHT AND LIBERTY for the TasWater at all times to:

- (1) enter and remain upon the Easement Land with or without employees, contractors, agents and all other persons duly authorised by it and with or without machinery, vehicles, plant and equipment;
- (2) investigate, take soil, rock and other samples, survey, open and break up and excavate the Easement Land for any purpose or activity that TasWater is authorised to do or undertake;
- (3) install, retain, operate, modify, relocate, maintain, inspect, cleanse and repair the Infrastructure;
- (4) remove and replace the Infrastructure;
- (5) run and pass sewage, water and electricity through and along the Infrastructure;
- (6) do all works reasonably required in connection with such activities or as may be authorised or required by any law:
 - (1) without doing unnecessary damage to the Easement Land; and
 - (2) leaving the Easement Land in a clean and tidy condition; and
 - (3) if the Easement Land is not directly accessible from a highway, then for the purpose of undertaking any of the preceding activities TasWater may with or without employees, contractors, agents and all other persons authorised by it, and with or without machinery, vehicles, plant and equipment enter the Lot from the highway at any then existing vehicle entry and cross the Lot to the Easement Land; and
 - (4) use the Easement Land as a right of carriageway for the purpose of undertaking any of the preceding purposes on other land, TasWater reinstating any damage that it causes in doing so to any boundary fence of the Lot.

PROVIDED ALWAYS THAT:

- (1) The registered proprietors of the Lot in the folio of the Register ("the Owner") must not without the written consent of TasWater first had and obtained (which cannot be unreasonably refused) and only in compliance with any conditions which form the consent:
 - (a) alter, excavate, plough, drill or otherwise penetrate the ground level of the Easement Land;
 - (b) install, erect or plant any building, structure, fence, pit, well, footing, pipeline, paving, tree, shrub or other object on or in the Easement Land;
 - (c) remove any thing that supports, protects or covers any Infrastructure on or in the Easement Land;
 - (d) do anything which will or might damage or contribute to damage to any of the Infrastructure on or in the Easement Land;
 - (e) in any way prevent or interfere with the proper exercise and benefit of the Easement Land by TasWater or its employees, contractors, agents and all other persons duly authorised by it; or
 - (f) permit or allow any action which the Owner must not do or acquiesce in that action.
- (2) TasWater is not required to fence any part of the Easement Land.
- (3) The Owner may erect a fence across the Easement Land at the boundaries of the Lot.
- (4) The Owner may erect a gate across any part of the Easement Land subject to these conditions:
 - (a) the Owner must provide TasWater with a key to any lock which would prevent the opening of the gate; and
 - (b) if the Owner does not provide TasWater with that key or the key provided does not fit the lock, TasWater may cut the lock from the gate.
- (5) If the Owner causes damage to any of the Infrastructure, the Owner is liable for the actual cost to TasWater of the repair of the Infrastructure damaged.
- (6) If the Owner fails to comply with any of the preceding conditions, without forfeiting any right of action, damages or otherwise against the Owner, TasWater may:
 - (a) reinstate the ground level of the Easement Land; or
 - (b) remove from the Easement Land any building, structure, pit, well, footing, pipeline, paving, tree, shrub or other object; or
 - (c) replace anything that supported, protected or covered the Infrastructure.

Interpretation:

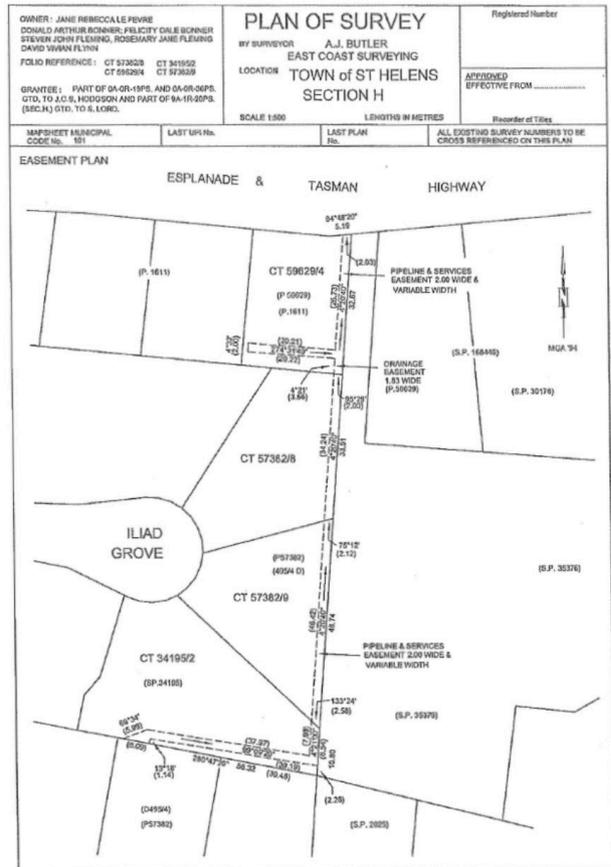

"Infrastructure" means infrastructure owned or for which TasWater is responsible and includes but is not limited to:

- (a) sewer pipes and water pipes and associated valves;
- (b) telemetry and monitoring devices;
- (c) inspection and access pits;
- (d) power poles and lines, electrical wires, electrical cables and other conducting media (excluding telemetry and monitoring devices);
- (e) markers or signs indicating the location of the Easement Land, the Infrastructure or any warnings or restrictions with respect to the Easement Land or the Infrastructure;
- (f) anything reasonably required to support, protect or cover any of the Infrastructure;

- (g) any other infrastructure whether of a similar nature or not to the preceding which is reasonably required for the piping of sewage or water, or the running of electricity, through the Easement Land or monitoring or managing that activity; and
- (h) where the context permits, any part of the Infrastructure.
- (i) Easement Land means the land depicted on the Plan by the notation "PIPELINE & SERVICES EASEMENT 2.00 WIDE & VARIABLE WIDTH".

"Lot" means the land contained in Folio of the Register Volume 59629 Folio 4.

**Secure.
Trusted.
Accurate.**

When it comes to document management in Tasmania, Acrodata can scan, store, supply images and archive your most important documents like no other.

Our combined business group means your options are endless.

Proudly Tasmanian owned and operated since 2006, Acrodata is Tasmania's largest and most trusted document management specialist. Our facilities are TAHO accredited and operate to the highest security required by State and Federal Government for document management.

As part of the Fuji Xerox Business Centre Tasmania's suite of business solutions, we re-utilise existing office hardware, software and communications in organisations to create a Content Management capability that means isolated islands of information are now connected.

We've got you.

Specialist Digitisation Services

Storage, access to and management of large documents like plans and engineering drawings is an incredibly difficult task. When your plans and drawings are on paper or aperture cards it is a nightmare to retrieve, view, print, forward or distribute.

The future has landed! Acrodata and our unique Store and Digitise on Demand service means you can have any plan or drawing available when you want it. Acrodata will store, manage, digitise and retrieve plans, drawings and aperture cards, in the time you request.

- Brand new technology producing image quality previously not possible
- Digitise and/or Retrieve for less than the cost of a reproduction.
- Full digitisation of collections with a fixed completion date
- Any plan or drawing delivered to you as a digital image immediately on request

Manage the risk of redundant technology limiting your access to vital information.

Digitise your past to protect your future now.
