## Emergency Management

### EMERGENCY MANAGEMENT ACT 2006 DIRECTIONS IN RELATION TO PERSONS ARRIVING IN TASMANIA

A significant threat of an emergency is occurring in Tasmania due the coronavirus disease COVID-19 ('the Disease'). To protect persons from distress, injury or death, I make the following directions in the exercise of emergency powers authorised under Section 40 of the *Emergency Management Act 2006* and pursuant to clauses 1(1)(b), 1(1)(q) and 1(1)(f) of Schedule 1 to that Act:

#### DIRECTION TO PROVIDE INFORMATION

1. Every person who arrives in Tasmania from a departure point outside of Tasmania is required to answer any question asked by an authorised officer within the meaning of the *Emergency Management Act* ('authorised officer') or to provide any document or other information required by an authorised officer.

#### DIRECTIONS IN RELATION TO ISOLATION IN AN ACCOMMODATION FACILITY

2. If, pursuant to these Directions, a person is required to isolate in an accommodation facility specified to them by an authorised officer, they are also required to:
  - (a) comply with any lawful directions given to them by an authorised officer during the period they are required to remain in isolation at an accommodation facility, and
  - (b) remain in the room provided to them at the accommodation facility specified to them for the period they are required to remain in isolation unless permitted to leave their room by an authorised officer.

#### DIRECTIONS UNDER THE *PUBLIC HEALTH ACT 1997*

3. Every person who arrives in Tasmania from a departure point outside of Tasmania is required to comply with any directions of the Director of Public Health issued under the *Public Health Act 1997* applicable to persons arriving in Tasmania.
4. A person who falls within paragraph (a) of the definition of **Affected Person** who fails to comply with any such directions is required to isolate themselves for 14 days at an accommodation facility specified to them by an authorised officer.
5. A person who falls within paragraphs (b) or (c) of the definition of **Affected Person** who fails to comply with any such directions is required to isolate in an accommodation facility specified to them by an authorised officer for an additional 10 days to the period of isolation required by virtue of Direction 8.
6. If a person referred to in Direction 4 or 5 subsequently undergoes a test for the Disease and it returns a negative result, they may leave isolation.

#### DIRECTIONS IN RELATION TO HIGH RISK ARRIVALS

7. An **Affected Person** must not enter Tasmania unless they are an **Authorised Person**.
8. An **Authorised Person** who is permitted to enter Tasmania is required to isolate for 14 days at an accommodation facility specified to them by an authorised officer.
9. Direction 8 does not apply to an **Authorised Person** who:
  - a. arrived in Australia from overseas within 28 days prior to their arrival in Tasmania, and

- b. within that time isolated at an accommodation facility in another State or Territory for a period of 14 days, and
  - c. undertook a test for the Disease on or after day 10 following their arrival in Australia and the test result was negative, and
  - d. in the case of a person who isolated at an accommodation facility within a **high risk area** or **medium risk area**, after completing that period of isolation they transited directly to an airport or seaport without breaking their journey, except to obtain fuel, and then travelled directly to Tasmania.
10. Direction 8 does not apply to an **Affected Person** who is under the age of 18 years who arrives in Tasmania unaccompanied by an adult.
    - a. If such a person has spent any time in a **high risk area** within 14 days prior to their arrival in Tasmania, they are required to isolate at **suitable premises** and comply with the requirements specified in Schedule 2 for 14 days from their arrival.
    - b. If such a person has arrived in Australia from overseas within 28 days prior to their arrival in Tasmania, they are required to isolate at premises approved by the Deputy State Controller and comply with the requirements specified in Schedule 2 for 14 days from their arrival.
  11. The Deputy State Controller may authorise a person subject to Direction 8 to isolate at **suitable premises**. Persons given such an authorisation are required to comply with the requirements specified in Schedule 2 for 14 days from their arrival and any additional requirements imposed by the Deputy State Controller and notified to them in writing.
  12. Direction 8 does not apply to an **Authorised Person** specified in Schedule 1 other than a person specified in Items 2 or 8 of that Schedule, unless that person:
    - a. arrived in Australia from overseas within 28 days prior to their arrival in Tasmania; or
    - b. disembarked from a cruise ship within 28 days prior to their arrival in Tasmania; or
    - c. on arrival in Tasmania is displaying any **clinical symptoms of COVID-19** or has displayed any such symptoms within 72 hours prior to their arrival.

Such persons are subject to Direction 8 unless excluded from the operation of that Direction by operation of Direction 9.
  13. An **Authorised Person** who is not subject to Direction 8 by virtue of Direction 12, is required to comply with the requirements specified in Schedule 4 for 14 days from their arrival.
  14. If an **Affected Person** who is not an **Authorised Person** arrives in Tasmania they must leave as soon as possible if required to do so by an authorised officer and comply with any direction of an authorised officer concerning their departure from Tasmania.
  15. Direction 14 does not apply to a person who is subject to Direction 10.
  16. An authorised officer may require an **Affected Person** required to leave Tasmania pursuant to a requirement under Direction 14 to isolate at an accommodation facility specified to them by the authorised officer until they are able to leave Tasmania.
  17. Direction 8 does not apply to a member of a maritime crew granted an exemption under Item 8 of Schedule 1 unless that person:
    - a. arrived in Australia from overseas within 28 days prior to their arrival in Tasmania; or
    - b. disembarked from a cruise ship within 28 days prior to their arrival in Tasmania; or

- c. on arrival in Tasmania is displaying any **clinical symptoms of COVID-19** or has displayed any such symptoms within 72 hours prior to their arrival.

A person who is not subject to Direction 8 by virtue of this direction is required to comply with any conditions imposed on the exemption granted to them.

- 18. If, on their arrival in Tasmania, it is not possible to verify/determine whether a person:
  - a. is an **Authorised Person**, or
  - b. has undertaken the period of isolation referred to in Direction 9(b), or
  - c. has undertaken a test for the Disease which returned a negative result as referred to in Direction 9(c), or
  - d. transited directly to an airport or seaport after completing the period of isolation as referred to in Direction 9(d),
 then Direction 8 applies to that person until that information can be verified/determined.

#### DIRECTIONS IN RELATION TO PERSONS ARRIVING FROM MEDIUM RISK AREAS

- 19. If a person who arrives in Tasmania has spent any time in a **medium risk area** within 14 days prior to their arrival in Tasmania, they must isolate for 14 days at **suitable premises**. A person who is subject to this direction is also required to comply with the requirements specified in Schedule 2 for 14 days from their arrival in Tasmania.
- 20. Direction 19 does not apply to a person who:
  - a. Transited directly through an airport in a medium risk area and did not leave the confines of the airport except to board a flight; or
  - b. Transited directly through a medium risk area by vehicle to an airport or seaport without breaking their journey except to obtain fuel or with the prior approval of the Deputy State Controller.
- 21. Direction 19 does not apply to a person who is specified in Schedule 1 unless that person is displaying any **clinical symptoms of COVID-19** on arrival in Tasmania or has displayed any such symptoms within 72 hours prior to their arrival. Such persons are subject to Direction 19.
- 22. If a person specified in Schedule 1 is subject to Direction 19 by virtue of Direction 21 and they subsequently undergo a test for the Disease which returns a negative result, they are not required to isolate for the balance of the 14 days.
- 23. A person who is not subject to Direction 19 by virtue of Direction 21, or is no longer subject to Direction 19 by virtue of Direction 22, is required to comply with the requirements specified in Schedule 3 for a period of 14 days from their arrival in Tasmania and any additional requirements imposed by the Deputy State Controller and notified to them in writing.
- 24. Direction 19 does not apply to maritime crew members granted an exemption by the Deputy State Controller under Item 8 of Schedule 1. Such persons are required to comply with any conditions imposed on the exemption granted to them.
- 25. If, on arrival in Tasmania it is not possible to verify/determine whether a person falls within Schedule 1, then Direction 19 applies to that person until that information can be verified/determined.

#### RELEASE FROM ISOLATION

- 26. A person who is currently in isolation at an accommodation facility pursuant to the 'Directions in relation to persons arriving in Tasmania (General)' made by me on 9 October 2020 or 15 October 2020, or pursuant to the 'Directions in relation to persons arriving in Tasmania from Affected Regions and

Premises' made by me on 9 October 2020, may transit directly from that accommodation facility to **Suitable Premises** and remain in, or at, those premises until the expiration of the 14 day period of isolation.

- 27. Direction 26 does not apply if the person isolating at an accommodation facility is an **Affected Person** or cannot nominate **suitable premises** within which to reside for the balance of the 14 day period of isolation.
- 28. A person who, by virtue of Direction 26, is permitted to leave an accommodation facility, is required to comply with the requirements specified in paragraphs b, c, d, e, f, g, h and i of Schedule 2.
- 29. A person who is currently in isolation at a private residence or other premises approved by the Deputy State Controller pursuant to the 'Directions in relation to persons arriving in Tasmania (General)' as made by me on 9 October 2020 or 15 October 2020, or pursuant to the 'Directions in relation to persons arriving in Tasmania from Affected Regions and Premises' as made by me on 9 October 2020 is released from the requirement to isolate.
- 30. Direction 29 does not apply if the person is an **Affected Person** or has been in a **medium risk area** within 14 days prior to their arrival in Tasmania.
- 31. Persons who are currently subject to the requirements specified in Annexure A of the 'Directions in relation to persons arriving in Tasmania (General)' made by me on 9 October 2020 or 15 October 2020, or as specified in Annexure A of the 'Directions in relation to persons arriving in Tasmania from Affected Regions and Premises' made by me on 9 October 2020, are no longer subject to those requirements. For the balance of the 14 day period following their arrival in Tasmania, such persons are to comply with the applicable requirements specified in these Directions as if they had arrived in Tasmania after 12:01 am on 26 October 2020.

### PUBLIC HEALTH ACT 1997

#### DIRECTION UNDER SECTION 16

##### *(Residential Aged Care Facilities – No. 10)*

I, MARK VEITCH, the Director of Public Health, in pursuance of section 16 of the *Public Health Act 1997* ("the Act"), in order to manage the threat to public health posed by the notifiable disease known as COVID-19 ("the disease"), direct that, commencing on 26 October 2020 –

- (a) subject to paragraph (b), a person must not enter, or remain on, the premises of a residential aged care facility in Tasmania unless –
  - (i) the person is a resident of the residential aged care facility, including a resident for the purposes of respite; or
  - (ii) the person is an employee or contractor of the residential aged care facility; or
  - (iii) the person's presence at the premises is for the purposes of providing goods or services in respect of the residential aged care facility, whether the goods or services are provided for consideration or on a voluntary basis; or
  - (iv) the person's presence at the premises is for the purposes of providing goods or services to a resident of the residential aged care facility, whether the goods or services are provided for consideration or on a voluntary basis; or
  - (v) the person's presence at the premises is for the purposes of end of life support for a resident of the residential aged care facility; or
  - (vi) the person's presence at the premises is for the purposes of a care and support visit to a resident of the residential aged care facility; or
  - (vii) the person –
    - (A) is a key support person for a resident of the residential aged care facility who has a diagnosed medical condition; and
    - (B) is present at the premises at the request of the operator of the residential aged care facility and for the purpose of providing essential support to the resident by reducing distress or confusion that has occurred in respect of the resident as a result of the medical condition; or
  - (viii) the person's presence at the premises is required for the purposes of emergency management or law enforcement; and
- (b) despite paragraph (a), a person referred to in paragraph (a) (ii), (iii), (iv), (v), (vi), (vii) or (viii) must not enter, or remain on, the premises of a residential aged care facility in Tasmania if –
  - (i) during the 14-day period immediately preceding the entry, the person arrived in Tasmania from a place outside of Tasmania that is a medium risk area or a high risk area, as determined by the Director of Public Health or his or her delegate; or
  - (ii) during the 14-day period immediately preceding the entry, the person had known contact with a person who –
    - (A) has been diagnosed with the disease; or
    - (B) is reasonably suspected of having the disease; or
  - (iii) the person has one or more clinical symptoms of the disease; or
  - (iv) the person does not have an up-to-date vaccination against influenza, if such a vaccination is available and there is no medical recommendation against the administration of the vaccine to the person; and
- (c) paragraph (b)(i), (ii) or (iv) does not apply in respect of a person if –
  - (i) the person is a significant person in respect of a resident at the residential aged care facility; and
  - (ii) the Director of Public Health, or his or her delegate, is satisfied that the person is entering, or remaining on, the premises of the residential aged care facility for the purpose of providing end of life support for the resident; and
  - (iii) the Director of Public Health, or his or her delegate, has authorised the person to enter, or remain on, those premises for those purposes; and
  - (iv) in addition to any other legal requirements under the Act, the person complies with any additional requirements imposed on the person by the Director of Public Health, or his or her delegate, to ensure the safety of the person, the staff of the residential aged care facility and the residents at the residential aged care facility; and
- (d) paragraph (b)(i), (iii) and (iv) does not apply in respect of a person entering the premises of a residential aged care facility if the most senior representative of the operator of the facility, who is at the facility and on-duty at the time the person enters, is satisfied that the person is entering the premises for the purposes of emergency medical treatment, including transport, emergency management or law enforcement services; and
- (e) paragraph (b)(ii) does not apply in respect of a person entering the premises of a residential aged care facility if –
  - (i) the known contact with another person, diagnosed with the disease or reasonably suspected of having the disease, occurred as part of the person's employment; and
  - (ii) the person was wearing PPE consistent with, or at the level required by, the National Guidelines for public health units developed by the Communicable Diseases Network Australia in respect of the disease; and
  - (iii) there was no breach to the PPE during that contact with the other person; and
- (f) the operator of a residential aged care facility in Tasmania must take all reasonable steps to ensure that a person does not enter, or remain on, the premises of the residential aged care facility if the person is prohibited from doing so under paragraph (a) or (b); and
- (g) the operator of a residential aged care facility in Tasmania must ensure that all persons who enter, or remain on, the premises of the residential aged care facility have been screened, as directed by the Director of Public Health or his or her delegate, before the person so enters, or remains on, the premises; and
- (h) for the avoidance of doubt, paragraphs (b) and (f) do not prevent a person who is a resident of a residential aged care facility from leaving, and returning to, the premises of the residential aged care facility; and

(i) in this direction –

(i) **care and support visit**, in relation to a resident at a residential aged care facility, means a visit made to the resident –

- (A) by a single person or no more than 2 persons together, unless the residential aged care facility has approved a greater number of visitors for the visit; and

### Research Consultant

Workforce Health Assessors (WHA) is a leading provider of pre-employment medical services across Australia and New Zealand. With a passion for technology and innovation in the pre-employment screening space, WHA, in partnership with the University of Technology Sydney (UTS) and CSIRO (Commonwealth Scientific and Industrial Research Organisation) is developing an intuitive risk profiling tool for application across industry sectors.

WHA are seeking to appoint a Research Consultant on a contract basis (hours negotiable) for up to 6 months to join our expanding team to undertake medical injury risk profiling, and participate in validation of data.

The Research Consultant, based in WHA's Hobart Office, will work closely with the project team to research and determine potential risk in relation to occupational roles, and identify the impact of medical and health related responses on the performance of occupational roles.

### Desired Skills and Knowledge

- Relevant medical training or medical research background (may include exercise physiology, paramedic, physiotherapy, RN/EN studies)
- Ability to think logically
- Outstanding written skills with strong attention to detail
- Ability to work autonomously and as a strong team member
- Ability to communicate effectively across all project stakeholders
- Excellent time management skills and proven ability to meet timelines.
